IHASA Committee Member Requirements

All members of the Committee share a collective responsibility for the management of the Association.

Any potential or perceived conflict of interest must be advised to the full Committee at the earliest opportunity.

It is expected that a range of skills and experience will be available to the Committee. These will include:

- Policy development
- Organisational skills
- Communication skills (oral and written)
- Website and IT
- Financial management

Essential for all members

- Capacity for teamwork
- Energy and enthusiasm
- Available to attend regular meetings (mostly via Zoom)
